Located at the property was an indoor and outdoor marijuana operation, where over 1200 marijuana plants were being grown.

Officers developed information that the marijuana operation was being operated by Fredrick Soderlind. Soderlind had an outstanding felony warrant for his arrest, related to a previous cultivation of marijuana case. Officers located Soderlind as he was driving away from his residence. Soderlind was arrested and while officers were searching his vehicle Soderlind attempted to discard a car key that was in his possession.
