Synopsis: On 01-11-2016, at approximately 1:00 AM, Salvador Jara, Broderek Klee, and William Raley drove about 6 miles east of Caspar, California on Caspar Logging Road and parked their vehicle and went for a walk in the Jackson State Forest. During the night they became disoriented.

On 01-12-2016, at about 5:30 AM Jara called 911 for assistance via his cellular telephone, reaching the Mendocino County Sheriff's Office. The dispatcher was able to determine his location via the Global Positioning System (GPS) of the cellular telephone. An on-duty deputy spoke with Jara via telephone and provided him with directions of how to walk back to the road.

At about 6:45 AM Mendocino County Sheriff's Deputies attempted to telephone Jara and he did not answer. Jara's vehicle was subsequently located, still parked on Caspar Logging Road. Deputies requested that the Mendocino County Sheriff's Office volunteer Search and Rescue Team respond to assist with the search.

One strategy used during the search was for a marked sheriff patrol vehicle to drive on the road near Jara's vehicle and sound the siren. Jara, Klee, and Raley heard this siren and walked toward it, eventually reaching the road. The subjects were uninjured and returned to their vehicle.

The Mendocino County Sheriff's Office wishes to again thank all of the volunteer's for generously donating their time and working together to come to the aid of members of their community in need.
